Earthroots Field School and Tustin Memorial Academy present the second in a series of FREE workshops taught by Earthroots Field School Instructors; Mark Hay and Jodi Levine

# SAVE \$\$ AND CONSERVE WATER BY HARVESTING RAIN

## FREE Rainwater Harvesting Workshop

### Sunday, March 21st 1pm-3pm

Come see what our fifth graders have been learning in their three-part water-themed unit

**Water rates are going up, rain is coming down...  
Learn how you can save \$\$ by conserving water  
in your home garden**

This hands-on demonstration workshop will give you the knowledge and practical experience to begin capturing and utilizing rainwater in your yard.

#### **Learn to:**

- **Calculate rainwater runoff from your home**
- **Develop a rainwater collection system**
- **Save money by using less municipal water**

All ages welcome to participate (this is a hands-on workshop, not a sit-down lecture)

Children under 18 require adult supervision

**RSVP/More Info: [tmagarden@gmail.com](mailto:tmagarden@gmail.com)**

**TMA is located north of Irvine Blvd at 12712 Browning Ave in Tustin/Santa Ana, 92705. The garden is located at the south end of the school.**
