This is an outdoor, hands-on, nature connection program, please dress appropriately to be outside. Plan on arriving 15 minutes early to use the restroom and get yourself ready for class so that we can make the most out of our time together.

Directions will be emailed at least one day before class. Keep the following phone numbers with you in case you need help finding class or to let the instructor know if you are running late. Drop in classes must be scheduled with Jodi at least 1 week before class, only when space is available.

Instructor Caroline Colesworthy (949) 893-0103  
Executive Director Jodi Levine (949) 400-3340
